To Whom It May Concern:

It is with pleasure that I recommend Tommy Schlein to you as a singer of the oldies but goodies songs of the late 1950s and 1960s. Mr. Schlein has performed at the City of Cuero's pre-performance for the July 4th event held in the Cuero Municipal Park for the last several years. The City of Cuero finds Mr. Schlein to be personable and professional in all of our dealings with him for these events. He has a great local following of fans who drive from the surrounding area to enjoy his performance. And eventually there are several couples who enjoy dancing to his music as well!

If you have further questions regarding Mr. Schlein, please call. I hope that you find Mr. Schlein to be an outstanding attraction for your establishment.

Sincerely,

Sara Post Meyer
