

It's Who We Are.

January 18, 2012

To Whom It May Concern:

TrustTexas Bank has had the pleasure of working with Tommy Schlein on two separate occasions.

Mr. Schlein has performed in our bank lobby for a Board of Directors' Anniversary Celebration to which the public was invited. The members of our Board of Directors, staff and attending public were extremely complimentary of Mr. Schlein's performance.

His performance was so well received by staff he was requested to perform for our Christmas party. Mr. Schlein's performance at the Christmas Party was enjoyed by all ages attending. We are looking forward to scheduling Mr. Schlein again for the 2012 Christmas Party.

TrustTexas Bank looks forward to inviting Mr. Schlein to perform for many more occasions.

We are pleased to recommend Tommy Schlein for entertainment venues which enjoy Golden Oldies.

Sincerely yours,

John D. Howard
