To who it may concern:

It has been my pleasure to know Mr. Tommy Schlein and his family for many years.

Mr. Schlein entertained at our Annual Style Show as our featured artist. He is a wonderful performer and kept our audience in awe as he performed for us in his unique style. He is very personable and our audience felt as they were a part of his music. Women think he is singing only to them.

Please call if you need any other information.

Sincerely,

Jeannine Adams
Senior Vice President
